**Coronavirus Prayer**—to be recited at all Masses

“Dear Lord, at this time of pandemic we ask you to protect our families, our country and our brothers and sisters around the world. We ask you to be with us when we feel vulnerable, frightened or ill. We pray especially for those who are suffering with the virus, for those who care for them and for those whom you have called to their heavenly home. Help us to remember that we are all created by you and to reach out to those in need, especially the sick, the lonely and the bereaved. We pray for a smooth roll out of the vaccine, that it will be safe and effective and shared equally. Send your Spirit on us, and give us hope, strength and courage to look to a future of justice and equality. We ask this in the name of Christ our Lord, Amen.”

**Pope Francis Twitter message:** “ The Christian journey begins from the grace of receiving mercy. If we trust in our own abilities, in the efficiency of our structures and projects, we will not go far. Only if we accept the love of God, will we be able to offer something new to the world. ”

**Message from Fr Anton.** I hope you and your families are all well and have an enjoyable bank holiday weekend. It is good to see so many of our parishioners returning to the Church after lockdown. Please remember, that when you are in church it is important to **maintain a distance of at least, one metre and ensure that face coverings are worn.** Please support the Stewards by following their advice.
