Coronavirus Prayer—to be recited at all Masses

“Dear Lord, at this time of pandemic we ask you to protect our families, our country and our brothers and sisters around the world. We ask you to be with us when we feel vulnerable, frightened or ill. We pray especially for those who are suffering with the virus, for those who care for them and for those whom you have called to their heavenly home. Help us to remember that we are all created by you and to reach out to those in need, especially the sick, the lonely and the bereaved. We pray for a smooth roll out of the vaccine, that it will be safe and effective and shared equally. Send your Spirit on us, and give us hope, strength and courage to look to a future of justice and equality. We ask this in the name of Christ our Lord, Amen.”

Pope Francis Twitter message: “It would be good to ask ourselves every day: “What do I bring to Jesus today?”. He can do a lot with one of our prayers, with a gesture of charity for others. This is how God loves to act: He does great things, starting from those small things. ”

Message from Fr Anton. I hope you and your families are all well. Just to remind you all, that in light of the Government's Covid-19 Roadmap changes starting on 19th July, and in keeping with the advice offered from our Diocesan office, we will continue to endeavour to keep safe by:

- maintaining 'a strong emphasis on common sense and risk adverse activities to continue to mitigate against the transmission of the virus'. We, in this parish, have been very vigilant and cautious, and we have benefited from this. We need to continue to do so.
- Please continue to wear face masks in the church for the time being;
- Please continue to sanitise your hands on entry and exit from the church;
- Please continue to maintain at least 1m distance between family groups;

Bible Discussion Forum - this Group has been going on for some time in our Parish. For further details please contact Dr Eugenia Ogbah on 07438586772.

What are the Four Cardinal Virtues?

Prudence is the virtue that disposes practical reason to discern our true good in every circumstance and to choose the right means of achieving it; "the prudent man looks where he is going." It guides the other virtues by setting rule and measure. It is prudence that immediately guides the judgment of conscience.

Justice is the moral virtue that consists in the constant and firm will to give their due to God and neighbour ... Justice toward men disposes one to respect the rights of each and to establish in human relationships the harmony that promotes equity with regard to persons and to the common good.

Fortitude is the moral virtue that ensures firmness in difficulties and constancy in the pursuit of the good. It strengthens the resolve to resist temptations and to overcome obstacles in the moral life. The virtue of fortitude enables one to conquer fear, even fear of death, and to face trials and persecutions.

Temperance is the moral virtue that moderates the attraction of pleasures and provides balance in the use of created goods. It ensures the will's mastery over instincts and keeps desires within the limits of what is honourable ... In the New Testament it is called "moderation" or "sobriety." We ought "to live sober, upright, and godly lives in this world."
