I know that a great number of you currently volunteer for the Parish or may

have done so in the past and may have some personal information at your home in a file and/or on a PC or laptop. Please could you let either me or the office know if this applies to you so that I can let you know what actions you will need to take going forward. The Archbishop is encouraging all of us to help implement these changes and I thank you in advance for your cooperation.
