**Data Protection:** as you may be aware there is some new data protection legislation coming into force on 25th May 2018, which is going to impact on all of us. One of the responsibilities we will now have to undertake is to know who has access to the vast amount of personal information we hold in the Parish. I know that a great number of you currently volunteer for the Parish or may have done so in the past and may have some personal information at your home in a file and/or on a PC or laptop. Please could you let either me or the office know if this applies to you so that I can let you know what actions you will need to take going forward. The Archbishop is encouraging all of us to help implement these changes and I thank you in advance for your cooperation.

**Seminar on abortion decriminalisation: Tuesday 22nd May - St Stephen's Church, Lewisham High Street, SE13 5AF: 7.00 -8.30pm.**

Since 1967 nearly nine million unborn babies have been lost by abortion. Every year, many thousands of women suffer following an abortion. There is a concerted effort to decriminalise abortion, which could make abortion available up to birth for any reason - putting vast numbers of unborn children and vulnerable women at risk of exploitation by the abortion industry. The meeting will inform people about the threat posed by decriminalisation, and explain what can be done to prevent it.
