One of the responsibilities we will now have to undertake is to know who has access to the vast amount of personal information we hold in the Parish. I know that a great number of you currently volunteer for the Parish or may have done so in the past and may have some personal information at your home in a file and/or on a PC or laptop. Please could you let either me or the office know if this applies to you so that I can let you know what

actions you will need to take going forward. The Archbishop is encouraging all of us to help implement these changes and I thank you in advance for your cooperation.

**P**lease inform Fr Hyacinth or the Parish office, if any Parishioner who is sick or housebound would welcome a visit from an Eucharistic Minister, Sr Francis or a Priest. We will need their name, address and telephone number.

### **D**ay for Life, Sunday 17 June 2018.

**T**his year the Day for Life will focus on all those who are suffering, or have survived trafficking and modern slavery. It provides an opportunity to pray, reflect and to choose the ways in which action, as well as practical and emotional support can ensure the dignity of human life is upheld at every stage of a person's life.

As Pope Francis has said, "The trade in human beings violates the God given dignity of so many of our brothers and sisters, and constitutes a true crime against humanity." Further information can be found at [www.santamartagroup.com](http://www.santamartagroup.com) and [www.dayforlife.org](http://www.dayforlife.org).
